

# Dyslexia SA

Dyslexia SA is proud to announce the face-to-face training of DIBELS 8<sup>th</sup> Edition in Adelaide, South Australia!

***Interested in becoming a DIBELS 8<sup>th</sup> Edition Trainer in your school?***

## **DIBELS 8<sup>th</sup> Edition Trainers' Training**

### **Learning Objectives:**

- To prepare trainers to train others to reliably administer, score, and use DIBELS 8<sup>th</sup> Edition in their school systems
- To learn a process for engaging in data-based decision making within a MTSS (Multi-Tiered System of Supports) framework using DIBELS 8<sup>th</sup> Edition
- To apply a MTSS decision-making framework to answer questions and make instructional decisions using DIBELS 8<sup>th</sup> Edition data

**Content Includes:** Learning how to use DIBELS 8<sup>th</sup> Edition data to answer questions and make instructional decisions at the systems level and individual student level. Learning how to set up and effectively utilize assessment systems within a school system to engage in data-based decision making.

For more information see the Basic Training flyer and <https://dibels.uoregon.edu/>

## DIBELS 8<sup>th</sup> Edition Trainers' Training

### Presenters

#### Dr Nancy J. Nelson

**Dr Nancy J. Nelson** is a Research Assistant Professor at the Center on Teaching and Learning at the University of Oregon, and the Director of Clinic and Outreach Services. Dr. Nelson is a Co-Principal Investigator on the National Center on Improving Literacy and the National Lead for Literacy Center. Dr. Nelson is a licensed school psychologist in Oregon, a nationally certified school psychologist, and a licensed special education teacher in Oregon and California. She is a former middle and high school special education math teacher with expertise in reading, math, and technology-based interventions for students at risk for disabilities and the use of assessment to inform intervention in multi-tiered systems of supports.

#### Marissa Pilger Suhr

**Marissa Pilger Suhr** is a research assistant at the Center on Teaching Learning (CTL) and is a doctoral candidate in the University of Oregon School Psychology program. At CTL, Marissa serves on the DIBELS 8<sup>th</sup> Edition professional development team, where she develops professional development materials and facilitates DIBELS 8<sup>th</sup> Edition trainings for local and state organizations. Marissa also works on the professional development team for the National Center on Improving Literacy, where she supports with development of technical assistance resources for educators. In her role at CTL, Marissa also provides ongoing professional development and coaching to local school districts, clinic settings, and state-level organizations on data-based decision making, the science of reading, and the delivery of the Enhanced Core Reading Instruction (ECRI) multitiered program.
